

Mazen M. Alqahtani

Associate Professor and Consultant Physiotherapist

About me

A highly motivated, confident individual with exceptional multi-tasking and organizational skills. Able to communicate effectively and sensitively with colleagues to maximize the work outcomes and to ensure solving of often complex workplace issues. Excellent academic and clinical experience with the ability to work closely with other healthcare professionals to assess the academic and clinical needs and devise suitable plans for robust results. Provides vision and dynamic leadership in an organization. Ambitious to inspire and pursue work and personal excellence among the work team to achieve targeted goals. Plays key role in policy development for graduate education, reviewing new programs, and fostering interdisciplinary programs. Chaired and participated in the National and International accreditation program for various disciplines. Excellent communicator with exceptional writing skills. Proficient in handling multimedia and E-health tools.

Current Work Experiences

Dean 2018 - present

College of Applied Medical Sciencesa
